

CARPE DIEM

Be proactive and take the initiative! Taking the initiative does not mean being aggressive or overbearing, it means recognizing your responsibility to make things occur. Do not wait for something to happen to you. Seek your own solutions to problems and seize the initiative to do whatever may be necessary to get the job done.

The 7 Habits of Highly Effective People® 2-day experience provides the foundation to strengthen the human side of performance at the personal, managerial, and organizational levels. Equip your employees with the tools and skills to work at the highest levels of effectiveness, both with and through others.

Workshop Dates: October 23-24, 2008
