

## ***LAYIN' DOWN THE LAW***

When it comes to ethics, the imaginary employer-employee line is continually moving. Business owners, executives, and leaders need to communicate constantly with employees about their company's morals and values. Businesses should also offer on-going training that includes opportunities for employees to practice responding to realistic ethical dilemmas. 'Lay down the law' so to speak about what ethical situations occur most in your work environment and ways to prevent these wrongs.

Ethics is online continuing education helping you and your employees understand ethics, which helps to build your company's reputation.

**Online and ready when you are...**
