

ONE SIZE DOESN'T FIT ALL

All the details are falling into place – great educational sessions, great speakers, fun social events, and, of course, lots of great food. Finding the right size room with the right accommodations is also important to the event experience. A large room that seats 100 when only 30 are expected will make attendees feel like misfits. Find the room that's just the right size for that "extra-special" fit.
